PLATEFORME D'INSCRIPTION EN LIGNE

SYSTEM SPECIFICATION DOCUMENT | Version 1.0 | April 2026

1. PLATFORM OVERVIEW

This document specifies the design, features, and technical requirements for the TACC National Youth Conference 2026 Online Registration Platform. The platform handles bilingual (EN/FR) participant registration, batch group registration, FAPSHI payment processing, public delegate lists, donations, and live statistics for the conference taking place 14–17 July 2026 in Yaoundé, Cameroon.

EVENT OVERVIEW / APERÇU DE L'ÉVÉNEMENT	
Event / Événement	National Youth Conference 2026 — Conférence Nationale des Jeunes 2026
Organiser / Organisateur	The Apostolic Church Cameroon (TACC)
Dates	14 – 17 July 2026 / 14 – 17 Juillet 2026

Contact	tacc.nationalyouth@gmail.com
Platform type	Bilingual responsive web app (desktop + mobile)
Languages	English (EN) French (FR) — toggle, top-right navigation bar
Payment gateway	FAPSHI — all payments (registrations + donations) to same account
Reg. ID format	NYC2026-XXXX (unique per participant, auto-generated on confirmed payment)

2. TARGET USERS & USER TYPES

The platform serves four primary user categories. Committees are embedded within the user profile — each registrant selects up to 2 committees/departments of interest during registration (Q22).

User Type	Description	Registration Mode
Local Participant	TACC assembly members from any Field/Group across Cameroon	Individual or Batch
International Delegate	Participants from the Diaspora / outside Cameroon (Field 14 – USA or other)	Individual or Batch
Batch Submitter	Group/Field leader registering multiple participants in one session	Batch only
Donor / Supporter	Anyone wishing to support the conference financially without attending	Donation module
Admin	TACC national youth office — manages records, exports, payment reconciliation	Admin panel (secured)

Committee / Department User Profiles (Q22 — max 2 per registrant)

Every registrant is linked to a maximum of 2 conference committees. The following 16 committees are available for selection:

#	Committee (EN)	Comité (FR)
1	Prayer and Intercession	Prière et Intercession
2	Music and Choir	Musique et Chorale
3	Evangelism and Outreach	Évangélisation et Sortie
4	Hospitality	Hospitalité

7	Security	Sécurité
8	Secretariat	Secrétariat
9	Organization Committee	Comité d'Organisation
10	Health and Welfare	Santé et Bien-être
11	Arts and Drama	Arts et Spectacle
12	Logistics and Transport	Logistique et Transport
13	Finance and Administration	Finance et Administration
14	Kitchen	Cuisine
15	Interpretation	Interprétation
16	Public Relations	Relations Publiques

TACC Groups (Q16b — 62 Groups, conditional on TACC affiliation)

62 TACC Groups are pre-loaded as dropdown options for Q16b (Groupe TACC / Champ TACC — 'Field' = 'Champ' in French). The dropdown appears only when 'TACC Assembly' is selected at Q14. A final option 'I don't know / Je ne sais pas' is appended. See Appendix C for the complete group list with member counts.

3. PAGE STRUCTURE & HEADER LAYOUT

3.1 Header Layout — All Pages

HEADER BAR LAYOUT	
TOP LEFT	Church Logo + Youth Movement Logo (side by side, small, linking to TACC homepage)
TOP CENTRE	Conference Logo (large, prominent) — main identity mark of the platform
TOP RIGHT	Language Toggle: EN FR (persistent throughout all pages)
BELOW LOGO	Conference title text: NATIONAL YOUTH CONFERENCE 2026 — NYC 2026 REGISTRATION
SUBTITLE	14 – 17 July 2026 Yaoundé, Cameroon (beneath conference name)

The language toggle (EN | FR) sits permanently in the top-right corner of the navigation bar on every page. It is NOT a full-screen first-interaction prompt — it is a compact, always-visible toggle. Selecting a language instantly switches all platform text for the current session.

3.2 Main Pages / Modules

#	Page / Module	EN Label	FR Label
1	Home / Landing	Home	Accueil
2	Individual Registration	Register	S'inscrire
3	Batch Registration	Group Registration	Inscription Groupée
4	Registered Delegates	Participants	Participants Inscrits
5	Donation / Support	Support the Conference	Soutenir la Conférence
6	Statistics Dashboard	Statistics	Statistiques
7	Admin Panel	Admin (secured)	Admin (sécurisé)

4. LANGUAGE BEHAVIOUR

- Language toggle displayed at top-right of navigation bar on ALL pages
- Toggle switches: EN → FR or FR → EN instantly, without reloading the page
- Default language: English (EN) on first visit
- User language preference stored in browser session / local storage
- All form labels, placeholders, validation messages, dropdowns, and error texts are fully translated
- Confirmation emails and SMS receipts sent in the registrant's selected language
- URL parameter support: ?lang=en or ?lang=fr for shareable direct links
- The toggle is NOT a first-screen prompt — the platform loads directly in EN with the toggle visible top-right

6. INDIVIDUAL REGISTRATION FLOW

Step	Action	Detail
1	Navigate to Register	Click 'Register / S'inscrire' in the navigation bar
2	Fill Form	Complete all 30 questions across 7 sections. Conditional fields appear based on Q14 answer.
3	Review Summary	Inline preview of all entered data before submission
4	Press SUBMIT	Triggers FAPSHI payment modal
5	Choose Payment Method	MoMo (MTN) Orange Money (OM) PayPal Bank Transfer
6	FAPSHI Payment	User completes payment on FAPSHI gateway. Amount = 1,100 FCFA / \$2 USD per registrant
7	Webhook Confirmation	FAPSHI sends webhook callback to platform confirming payment success or failure
8	Data Saved	On confirmed payment ONLY — registrant record saved to database with auto-generated ID: NYC2026-XXXX
9	Confirmation	On-screen success message + bilingual email/SMS receipt sent to registrant
10	Public List Updated	Registrant's name appears on the public Participants page immediately

IMPORTANT: Registration data is NEVER saved to the database if payment is not confirmed. Failed or abandoned payments produce no record.

7. BATCH / GROUP REGISTRATION FLOW

Batch registration allows a Group Leader, Field Coordinator, or church representative to register multiple participants in one session and pay for all in a single consolidated FAPSHI transaction.

Step	Action	Detail
1	Choose Batch Mode	Click 'Group Registration / Inscription Groupée' in navigation
2	Add Person 1	Fill all 30-question form for the first individual
3	Add to List	'Add to Batch' saves person to pending on-screen list. Form clears for next person.
4	Repeat	Fill and add each subsequent person. Pending list shown at bottom/side of screen.
5	Review Batch	Table shows all pending entries: #, Name, Field/Group, Committee, Category
6	Edit / Remove	Any entry can be edited or deleted before submission
7	Batch SUBMIT	Press 'Submit All / Soumettre tout'
8	Payment Summary	System displays: $N \text{ persons} \times 1,100 \text{ FCFA} = \text{TOTAL AMOUNT DUE}$ (e.g. 5 persons = 5,500 FCFA / ~\$10)
9	FAPSHI Payment	Single payment to same FAPSHI account. Amount = $N \times 1,100 \text{ FCFA}$ (or $N \times \$2 \text{ USD}$ for international)
10	Webhook Confirmation	FAPSHI confirms single payment; system saves ALL N records simultaneously
11	Confirmation	Batch receipt lists all registered names + individual NYC2026-XXXX IDs
12	Public List Updated	All N registrants appear on public Participants page

Batch Rules

- Minimum: 2 persons per batch
- Maximum: 50 persons per batch (configurable by admin)

- If payment fails → NO records saved (all-or-nothing per batch)
- Batch submitter receives one consolidated receipt + individual receipts per registrant (if email provided)
- All batch payments processed through the same FAPSHI account as individual registrations

8. PUBLIC PARTICIPANTS PAGE

A publicly accessible section displays all confirmed (paid) registrations. No login is required to view. Only records with confirmed FAPSHI payments are displayed.

Data Column	Public?	Notes
Registration ID (NYC2026-XXXX)	Yes	Auto-generated on payment confirmation
Full Name	Yes	
TACC Field	Yes	Field number + name
Region of Origin	Yes	
Committee(s) of Interest	Yes	Up to 2 per registrant
Participation Category	Yes	
Registration Date	Yes	Date payment confirmed
Phone / Email	Admin only	Hidden from public for privacy
Prayer Request (Q26)	Admin only	Stored separately, confidential
Payment Reference	Admin only	FAPSHI transaction ID

Public List Features

- Search bar: by Name, Field, Group, Region, or Committee
- Filter dropdowns: Field | Region | Committee | Age Group | Gender
- Running counter: e.g. '412 Registered Delegates'
- Sortable columns: Name (A–Z), Field, Registration Date
- Paginated (50 per page)

9. DONATION / SUPPORT MODULE

A clearly labelled section allows anyone to donate funds in support of the conference. All donations are processed through FAPSHI to the same account as registrations, but tracked in a separate internal ledger.

Donation Form Fields

- Donor Name (or tick 'Remain Anonymous / Rester Anonyme')
- Email Address (for receipt)
- Phone Number
- Donation Amount: preset options (1,000 / 2,500 / 5,000 / 10,000 FCFA) or custom amount
- Message / Dedication (optional)
- Payment Method: MoMo | Orange Money | PayPal | Bank Transfer (via FAPSHI)

Donation Flow

- Donor fills form → clicks 'Donate / Faire un don'
- FAPSHI modal opens with entered amount
- On confirmed payment: donation logged in Donation Ledger (separate from Registration Ledger)
- Donor receives on-screen confirmation + email receipt
- Named donors (non-anonymous) appear on a public Donor Honour Roll (amounts NOT shown)

10. PAYMENT ACCOUNTING

All payments (individual registrations, batch registrations, and donations) flow to the same single FAPSHI merchant account. The platform maintains two separate internal ledgers for transparency and reporting.

REGISTRATION LEDGER	
Tracks	All confirmed registration payments (individual + batch)
Count	Total confirmed registrants (individual + batch totals separate)
Total Collected	Sum of all confirmed fees: each registration = 1,100 FCFA / \$2 USD
Breakdown	By Field, by Group, by date, by payment method
Batch tracking	Each batch recorded with: submitter name, batch size N, and total paid ($N \times 1,100$ FCFA)
Pending	Initiated but unconfirmed payments (not counted in totals)
FAPSHI Ref	Transaction ID stored per record for reconciliation

DONATION LEDGER	
Tracks	All confirmed donation payments
Count	Total number of donations received
Total Collected	Sum of all confirmed donation amounts in FCFA
Breakdown	By date, by payment method, by amount range
Anonymous	Tracked as count; no name shown anywhere
FAPSHI Ref	Transaction ID stored per donation record

COMBINED SUMMARY (ADMIN VIEW)	
Grand Total	Registration Total + Donation Total = All Funds Received
Timeline Chart	Cumulative daily/weekly funds chart spanning registration period
Reconciliation	All FAPSHI transaction IDs listed for cross-referencing with FAPSHI dashboard

11. STATISTICS DASHBOARD

Publicly accessible. Displays real-time visual analytics of all confirmed registration and donation data.

11.1 Registration Statistics

Chart	Type	Data Displayed
Total Registrations	KPI card (live counter)	Confirmed registrant count

12. USER INTERFACE & BRANDING

12.1 Header Logo Arrangement

Position	Element	Specification
Top Left	Church Logo + Youth Movement Logo	Both logos side by side, medium size, link to TACC site
Top Centre	Conference Logo	LARGEST element — primary visual identity of the platform
Top Right	Language Toggle EN FR	Persistent toggle, compact, always visible
Below Logo	Conference Title Text	NATIONAL YOUTH CONFERENCE 2026 REGISTRATION
Below Title	Date & Venue	14 – 17 July 2026 Yaoundé, Cameroon

12.2 Colour Palette

- Primary: Navy Blue (#0A1F5C) — navigation bar, buttons, section headers
- Accent: Gold (#C8980A) — highlights, dividers, borders
- Alert / Emphasis: Deep Red (#8B0000) — event dates, urgent notices
- Background: White (#FFFFFF)
- Form areas: Light Navy (#DCE3F5) | Gold tints (#FEF6DC) for info boxes

12.3 Responsive Design

- Mobile-first layout — all forms optimised for smartphone screens
- Batch list renders as card stack on mobile, table on tablet/desktop
- Navigation collapses to a hamburger menu on small screens
- Large tap targets on all buttons and toggles

13. FAPSHI PAYMENT INTEGRATION

FAPSHI is the sole payment gateway for ALL platform transactions. Individual registrations, batch registrations, and donations all route through the same FAPSHI merchant account.

Integration Point	Description
Initiate Payment	Backend calls FAPSHI API with amount, description, reference, and webhook callback URL
Payment UI	User redirected to or shown FAPSHI-hosted payment interface
Methods Offered	MTN Mobile Money (MoMo) Orange Money PayPal Bank Transfer
Batch Payment Amount	FAPSHI invoice = N participants × registration fee (single transaction)
Webhook Callback	FAPSHI sends POST to platform on payment success or failure
Verification	Platform verifies FAPSHI webhook signature before saving any data
Reference Storage	FAPSHI transaction ID stored with every registration and donation record
Registration Fee	1,100 FCFA per person (local) / \$2 USD per person (international). Batch total = N × fee. Fee is fixed and not configurable by users.
Refund Handling	Processed manually in FAPSHI merchant dashboard; admin flags record in platform

14. ADMIN PANEL

The Admin Panel is accessible only to authorised TACC administrators via secure login (JWT-based authentication). It is not linked from the public navigation.

Core Admin Features

- Full registration database — all 30 fields including private (phone, email, prayer requests)
- Search, filter, sort all records by any field
- View individual and batch submission details (batch submitter + all registrants)
- Export: CSV / Excel / PDF
- Registration Ledger view and Donation Ledger view (separate tabs)
- Combined payment reconciliation report (all FAPSHI transaction IDs)
- Manually verify, flag, or archive records
- Adjust registration fee and donation preset amounts
- Manage admin user accounts and access roles
- Send bulk email/SMS notifications to confirmed delegates
- View and export prayer requests separately (confidential section)
- Filter delegates by committee for event coordination

15. PLATFORM RECOMMENDATIONS (FROM OFFICIAL FORM)

The following recommendations are drawn directly from the TACC NYC 2026 Registration Form document:

Feature	Recommendation
Auto-confirmation Email	Send bilingual EN/FR confirmation email on payment confirmation
